| | | |
| Q Spanish | © C | ancel Add |
| + - | Show Input menu in menu bar | |
| | | |
| | | |
| | Set | Up Bluetooth Keyboard |

On a Mac:

>System Preferences
>Keyboards
>Input Sources
>+
>Spanish - ISO
>Add

Then, on your desktop, on the upper menu on the left switch the US flag to "Spanish – ISO"

On a PC:

>System Preferences
>Keyboards
>Input Sources
>+
>Spanish - ISO
>Add

Then, on your desktop, on the upper menu on the left switch the US flag to "Spanish - ISO".
